Firefly Unavailable Sunday, March 3

Firefly will be unavailable on Sunday, March 3 from 6:00 a.m. until 2:00 p.m. This is outside the normal monthly maintenance schedule; however, the downtime is critical to a database upgrade.

Concur will be available during the downtime – login requires entering NUID, password, and Duo two-factor (if applicable to the user). The Concur tile can be accessed from firefly.nebraska.edu.
