

Employee & Dependent Scholarship Application Renovation

The application to allocate credits for the Employee and Dependent Scholarship Program has been renovated. The application can be accessed from Employee Self Service in Firefly.

Once the campus (institution) and term have been selected, the allocation screen appears.

You can elect to allocated credit hours to yourself or a spouse/dependent. Buttons at the bottom of the screen provide additional information, such allocation history, allocation dates, and frequent asked questions.

Review the documentation in Firefly Help for additional information.
